

Early in the progress of the fire, Engine 8's hose wagon and Engine 26's hose wagon operate deck guns on the fire.

Chief of Department Peter E. Walsh in command at the fire, covered in ice due to the snow, wind and spray from hose lines.

Engine 7's crew operates a line at the fire. Fire Box 1314 is visible in the left background, beneath the hose stream.

The Lieutenant of Engine 50 walks behind Engine 8's ice covered hose wagon during the fire.

Engine 8's crew operates the deck gun from Engine 8's hose wagon during the fire.
